

# It's time for the 2nd Annual St. Charles Hills Garage Sale

The sale will be held on **Saturday, May 2nd from 7 a.m.** until ???  
There is an optional pre-sale for neighbors the Friday evening before from 5 p.m. until dusk. To participate, basically all you need to do is place your sign on your mailbox and be in your garage, carport or yard and prepare to sell, sell, sell!

Here's what you need to do:

- **Register ASAP** by email (but by no later than April 15th, please)
- Email Angela Bosch at: [abosch@cbgundaker.com](mailto:abosch@cbgundaker.com)
- Be sure to type **“garage sale”** in the subject line
- **Include your name, address and telephone number** in the body of the email
- If you have specific items you would like to advertise, please include that in your email too.
- If you do not have email, please call your trustee or Angela

If you register by the April 15th deadline, you are guaranteed a sign for your front yard and a spot on the subdivision map as well as description of your sale contents. You will not be spammed about real estate by emailing your registration. My business is generated by means of the services I provide and word of mouth. Sponsoring garage sales is helpful to our community. If you have real estate needs, do not hesitate to contact me. If you are listed with another broker, you are welcome to participate—this is not a solicitation for property already listed.
